- 5.2.2. It owes a duty to the Insurer to disclose any information that is materially relevant to the Insurer to enable it to determine whether to provide this Policy.
- 5.2.3. The information and material disclosed to the Insurer is complete and accurate in any material manner and not misleading to the best of the knowledge and belief of the person disclosing such information and material, and such person reasonably believes that, and no information or material has not been disclosed to the Insurer that, if disclosed to the Insurer, would, individually or taken together, materially affect the issuance of this Policy or the Insurer's liability hereunder in any material manner.

### 5.3. **TERMINATION RIGHTS AND LIABILITY PROVISIONS**

- 5.3.1. The Insured may cancel this Policy by giving a written notice to the Insurer at least 30 days prior to the effective date of cancellation. If there are no Claims under this Policy, the Insurer will allow a refund of unearned premium calculated on a monthly pro-rata basis from the time of cancellation to the natural expiry of the Policy. The Insurer may cancel this Policy with regards to Misrepresentation and Fraud, Grace Period, Breach of Contractual Obligations, a Change in Control, or an Insolvency Event as detailed below.

#### 5.3.2. Misrepresentation and Fraud

The Insurer shall have all remedies available to it at law in the event of any misrepresentation or failure to disclose information relevant to this Policy. In deciding to accept this Policy and in setting

the terms and Premium, the Insurer has relied on the information provided by or on behalf of the Insured and that all such information provided is accurate and complete. Without prejudice to all other rights available to the Insurer and, notwithstanding any statute to the contrary, in the event that the Insured or its representative(s) has deliberately or recklessly provided the Insurer with false or misleading information or failed to disclose such information, or made any claim that is fraudulent or false, the Insurer may refuse all claims, terminate this Policy upon notice with immediate effect and treat this Policy as if it had never existed. In such circumstances, the Insurer shall be entitled to: (a) retain all Premium received; (b) receive any referable to the time on risk under this Policy up to (and including) the date of termination of this Policy; and (c) receive any future premium installments that would have been paid to the Insurer but for termination of this Policy.

#### 5.3.3. Grace Period

This Policy's Grace Period is 30 days, meaning if the premium or the premium installment is not paid on time, the Insurer is entitled to terminate this Policy after 30 days from the premium due date without notice. If there is any premium due but not paid when an insured event occurs, the Insurer is not obliged to pay for any Losses or Claims unless the Insured is not responsible for the non-payment.

#### 5.3.4. Breach of Contractual Obligations

- (1) In the event of a breach of a contractual obligation to be fulfilled by the Insured vis-à-vis the Insurer prior to the occurrence of the insured event, the Insurer may terminate this Policy without notice within one month of becoming aware of the breach, unless the breach is not intentional or as a result of gross negligence.
- (2) The Insurer shall not be obliged to indemnify if the Insured intentionally breached an obligation of this Policy. In the event of a grossly negligent breach of the obligation, the Insurer is entitled to reduce his indemnification in proportion to the severity of the fault of the Insured; the burden of proof for the absence of gross negligence is borne by the Insured.
- (3) Notwithstanding any other provisions in this section, the Insurer shall be obliged to indemnify insofar as the breach of the obligation is not the cause of the insured event or the determination or the scope of the Insurer's obligation to indemnify. Nevertheless, this clause shall not be applicable if the Insured has fraudulently breached the obligation.

#### 5.3.5. Change in Control

In the event of a change in overall control or ownership of the Insured, this Policy shall terminate automatically. For the purposes of this Termination Right, "control" means the power to determine the management or policy of the Insured (or a controlling holding company of the Insured) by any means, including by virtue of voting stock ownership. Where notice of a change of control of the Insured is notified to the Insurer (including all relevant details and particulars concerning the change of control or ownership) not less than 30 days prior to such change of control, the Insurer may elect to continue coverage under this Policy on such terms as may be thereafter agreed. If the Insurer does not affirm coverage under this Policy on such terms as may be agreed, this Policy shall be deemed to have terminated with effect from the date of the change of control.

#### 5.3.6. Insolvency Event

In case of any Insolvency Event, the Insured shall notify the Insurer as soon as possible. Upon receipt of the notification, the Insurer shall have the unilateral option to either (a) terminate the Policy as of the date of the notification of the Insolvency Event; (b) suspend the Policy during the period of restructuring and the Insurer can determine unilaterally whether or not to reinstate the Policy; or (c) continue the Policy in force notwithstanding the Insolvency Event. Such option shall be notified to the Insured in writing as soon as possible after the receipt of the Insolvency Event notification.

5.3.7. Save where expressly stated otherwise, in the event of a termination or deemed termination of this Policy by its terms, the coverage under this Policy and the Policy Period shall be deemed to expire on the date of such termination or deemed termination and: (a) the Insurer shall be entitled to receive any amount by which the portion of the Premium referable to the time on risk under this policy up to (and including) the date of termination of this Policy exceeds the amount of Premium already paid to the Insurer; and (b) the Insured shall be entitled to receive any amount by which the portion of the Premium referable to the time on risk under this Policy up to (and including) the date of termination of this Policy is less than the amount of Premium already paid to the Insurer.

#### 5.4. SUBROGATION

- 5.4.1. If the Insured is entitled to compensation from a third party, this claim is transferred to the Insurer insofar as the Insurer compensates the Loss.
- 5.4.2. The Insured shall safeguard his claim for compensation or a right serving to secure this claim in compliance with the applicable formalities and time limits and shall cooperate in its enforcement by the Insurer to the extent necessary.
- 5.4.3. If the Insured intentionally breaches this obligation, the Insurer is not obliged to indemnify to the extent that he cannot obtain compensation from the third party as a result. In the event of a grossly negligent breach of the obligation, the Insurer is entitled to reduce his indemnification in proportion to the severity of the fault of the Insured; the burden of proof for the absence of gross negligence lies with the Insured.

#### 5.5. OTHER INSURANCE

It is agreed that in the event of Loss, this Policy, insofar as it covers loss also covered by other insurance or indemnity, shall only pay claims (not exceeding the Policy Limit) for the excess of the amount of such other insurance or indemnity. As excess insurance, this Policy shall not apply or contribute to the payment of any loss until the amount of such other insurance or indemnity has been exhausted. Nothing herein shall be construed to make this Policy subject to the terms, conditions, and limitations of this other insurance.

#### 5.6. MATERIAL CHANGE IN RISK

As soon as reasonably practicable, the Insured shall notify the Insurer of any alteration in the Insured's business activities that are within the control of the Insured and that would result in a Material Change in the risk assumed by this insurance. In the event of such Material Change the Insurer and the Insured shall endeavor to agree terms to cover this incremental change in risk. If terms cannot be agreed to cover the business activities which constitute the incremental change in risk the Insurer shall, upon notice to the Insured, have no liability for this incremental risk under this Policy.

For this clause:

**“Material Change”** means any change in the operation of the Insured which might reasonably be regarded by the Insurer as increasing their risk in probability, degree or frequency of a loss, or reducing possibilities of recovery or subrogation.

#### 5.7. WILLFUL AND NEGLIGENT ACTS

- 5.7.1. The Insurer is not obliged to indemnify if the Insured intentionally causes an insured event.

5.7.2. If the Insured causes an insured event through gross negligence, the Insurer is entitled to reduce his indemnification in proportion to the severity of the Insured's fault

#### 5.8. **NO DUTY TO DEFEND**

The Insurer shall not be obligated to defend the Insured in any claim made against the Insured for the occurrence of any insured event.

#### 5.9. **MAINTENANCE OF RECORDS**

Until the later of 365 days after

- (1) the expiration of the **Policy Period** and
- (2) the final resolution of all claims or disputes relating to this Policy,

The insured shall, and to the extent possible, cause its affiliates to maintain all information regarding any insured event and the corresponding **Loss**.

#### 5.10. **ASSIGNABILITY**

This Policy, along with any legal rights or interest in this Policy, may not be assigned or transferred without the Insurer's written consent.

#### 5.11. **AMENDMENT**

The Policy may not be amended unless agreed to in writing by the Insurer and the Insured.

#### 5.12. **LAW AND JURISDICTION**

This Policy is subject to the laws of Hong Kong.

Any dispute, controversy, difference, or claim arising out of or relating to this Policy, including the existence, validity, interpretation, performance, breach, or termination thereof or any dispute regarding non-contractual obligations arising out of or relating to it shall be referred to and finally resolved by arbitration administered by the Hong Kong International Arbitration Centre (HKIAC) under the HKIAC Administered Arbitration Rules in force when the Notice of Arbitration is submitted. The seat of arbitration shall be Hong Kong. The number of arbitrators shall be one. The arbitration proceedings shall be conducted in English.

#### 5.13. **SEVERABILITY**

If any provision or provisions of this Policy shall be held to be invalid, illegal, or unenforceable for any reason whatsoever, then the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, all portions of any paragraphs of this Policy containing any such provision held to be invalid, illegal, or unenforceable that are not themselves invalid, illegal, or unenforceable) shall not in any way be affected or impaired.
